

Lent 3 March 20, 2022

"One day Jesus called together his twelve disciples and gave them power and authority to cast out all demons and to heal all diseases. Then he sent them out to tell everyone about the Kingdom of God and to heal the sick." (Luke 9:1-2)

Dear Brothers and Sisters in Christ,

It has become almost fashionable to blame everything that is wrong or difficult in life on someone or something else. We love to engage in finger-pointing. People have been doing that since creation began. Things were no different in Jesus' day, especially among the religious "elite," who believed that God punished those who did not live sterling lives, and rewarded those who kept the Law.

But Jesus made his listeners realize that some of life's tragedies (and rewards as well) are simply events that are unrelated to behavior. Life's challenges come from

our separation from God, which means we need repentance. This applies to everyone, regardless of station in life. God offers second chances, and we should take him up on the offer, because the time we have may be limited.

- **Lenten Midweek Offerings** are being designated to a mission that St James has supported for a number of years, "The Village of Hope" in Haiti. Haiti has gone through and continues to go through because of natural disasters as well as gang violence and fuel and food shortages. The Village of Hope serves students in both education and health center operations. Our donations will go for up front support as they reopen their Village in order to recreate a vibrant campus. In addition to salaries, money will be used to purchase school supplies, textbooks, medical supplies, and lunch for 600 students daily. We give thanks that St James can be a partner in ministry with them.

- **Keep It Shut .Postponed until March 31 due to so many other activities.** . . . Keep It Shut is a six-session, video-based small group Bible study that explores how to control the tongue. Each session features a different character from the Bible, using them either as an example of someone to emulate or whose verbal actions we should avoid replicating.

Sign up if you would like to share in this engaging group

study/discussion. If you have questions, contact Tracy Guffey.

- **Time and Talent Sheets** are available in the narthex. Please pick one up and fill it out and return here to church. Thanks.
