What is Via de Cristo?

Via de Cristo is a Spanish term meaning "Way of Christ." It is a three-day leadership experience with a New Testament look at Christianity as a lifestyle. Via de Cristo is a highly structured weekend designed to strengthen and renew the faith of Christian people, through them, their families, churches and the environment in which they live and work. It is a united effort of laity and clergy to aid congregations *in developing Christian leaders* to more effectively serve Christ in the church.

Hello St James members! Jane Hale is currently working with Love Inc on a new project. The launch of "Faith and Finances" on September 22, will include food ministry with classes on managing finances for folks in need in the Greenfield community. This will be a month long class meeting once a week with a dinner and budget session for 10 people. Jane has planned 3 of the meals that will be served and is in need of a small list of items to be donated. She is donating the first meal and will not need donations until Oct 2. If you would like to donate, check your email for the signup genius link and sign up for one or more of the grocery items and bring them to the church on Sunday, Oct 2 to be placed in a cooler in the Narthex. You can contact Cristy Warren with any questions about the class at 317-468-6300. If you would like to donate but don't want to mess with signup genius email Jane at Jane.hale1996@gmail.com. If you would like to donate money in lieu of shopping, she would be happy to shop for you. Thank you!

THANK YOU JANE FOR COORDINATING THIS MINISTRY OPPORTUNITY!!
